Dear (Salutation),

The deadline for you to join us in Dallas on June 10th for a powerful and prophetic event to celebrate the 50th anniversary of the liberation of the Holy City—the Jerusalem Jubilee—is fast approaching. This night is one you will never forget, and we really want you to be there.

We will have special messages from Jerusalem from Prime Minister Netanyahu and the Mayor of Jerusalem, Nir Barkat. We will also be joined by Governor Mike Huckabee and other key speakers, and we know that you will be blessed by our special musical guest: world-renowned violinist, Maurice Sklar.

The Jerusalem Jubilee dinner will be held at 6:00 p.m. on Saturday, June 10th, at the Irving Convention Center.

Please call 1-800-598-4969 to purchase your tickets or visit Jerusalem2017.org today.
